

 **FEATURES**

- 37 mm dial size.
- Polycarbonate lens.
- Stainless steel case.
- Phosphor bronze spiral tube.
- 1/8" NPT Bronze back connection.
- Accuracy up to ±4% Full scale.

 **APPLICATIONS**

- Extinguisher equipment.

 **OPERATING SPECIFICATIONS**

1. Working temperature
-20°C to 60°C.

	MODELS	SPECIFICATIONS
Case	All models	Stainless steel
Lens	All models	Polycarbonate
Connection	All models	1/8" NPT Bronze
Movement	All models	Phosphor bronze
Accuracy	All models	Working pressure ±4%
Pointer	All models	Aluminum
Dial	All models	Aluminum, scale in MPa Designed according to NOM-045-SCFI.

*** SPECIAL REQUEST**

Please contact factory for special dial artwork and ranges.
